SUMMARY

- Educator with diverse experience teaching and managing alternative school-based programs. Specialties include art history and neighborhood architecture.
- Master's degree in museum studies with focus on performance-based learning theory and outreach.
- Graduate thesis provided survey of 35 children's museums in downtown revitalization projects.

EXPERIENCE

- Amphi Middle School, Art Class – Tucson, AZ** **Spring 2009**
Student Teacher. Taught and developed integrated art projects for 6th-8th grade students. Taught art history and architecture lessons including focusing on the life and work of Leonardo da Vinci. Teacher duties encompassed curriculum planning, grading, managing classroom, and supporting positive behavior.
- Project Shine Afterschool Program – Tucson, AZ** **2009-present**
Architecture Teacher, Howell Elementary. Teach neighborhood architecture projects for K-5th grade students. Students draw, discuss, view images, and make 3-D models of school neighborhood. Students visualize how they want their houses to look and create them using local colors, patterns, and symbols.
- Acosta Job Corps Center – Tucson, AZ** **2006-2008**
Retail Sales Instructor. Taught employability skills to 16-24 year-old low-income youth. Developed service-learning projects with Youth in Philanthropy, Community Food Bank, PACC, WICS, Tucson Public Library, and Patio Pools & Spas.
- Learning by Design: NY – New York, NY** **2003-2005**
Built Environment Educator. Created school-based architecture projects for elementary schools. Utilized hands-on projects, museum visits, neighborhood walks, and drawing exercises to teach community design.
- Brooklyn Center for the Urban Environment – Brooklyn, NY** **2001-2003**
Program Coordinator. Led *Urban Design* department. Hired and trained staff, wrote programs, and taught architecture, planning and urban studies programs.
- Brooklyn Museum of Art – Brooklyn, NY** **2000-2001**
Museum Educator. Taught The New York City Museum School's sixth grade *Ancient Civilizations* program. Collaborated with curators of Egypt, China and Peru collections. Students researched ancient objects and created presentations on them.

Additional Experience with the following:

- Khalsa Montessori School – Tucson, AZ
- Washington Irving's Historic Sunnyside – Tarrytown, NY
- Fraunces Tavern Museum – Manhattan, NY
- Radio City Music Hall – Manhattan, NY
- SonyWonder Technology Center – Manhattan, NY
