ABOUT CAMBA

CAMBA is a Brooklyn-based non-profit organization with programs throughout the borough of Brooklyn. CAMBA was formed as a merchants association in 1977, but in direct response to the emerging needs of the community, it has steadily expanded its services to Brooklyn's residents and businesses. Today, CAMBA is one of Brooklyn's largest community-based social service organizations and provides a continuum of employment, education, health-related, housing, legal, social, business development and youth services to more than 30,000 individuals each year. CAMBA's full range of services allows us to accomplish our dual mission of (1) enabling low income individuals and families to become economically and socially self-sufficient, and (2) stabilizing and expanding the economy of Brooklyn by working with local merchants and entrepreneurs and encouraging economic development.
