## CAMERON JOBS [company logo here]

Co-founder & Managing Partner for Asia Recruiting Co.  
Entrepreneur | Strategist | Creative, Fact-Based Thinker

---

*“Asia Recruiting Co. has quickly risen to be one of the top agencies that we rely on to fill very technical and difficult positions.” ~ High-Tech Electronics Co.*

---

Cameron Jobs’ drive, passion, and analytical mind make him ideally suited for the Information Technology profession. His distinguished career includes service in the British Royal Navy, as well as leading roles in mechanical engineering and senior technology recruiting and consulting. At Asia Recruiting, Cameron and his team have placed more than 650 bilingual technology executives with the world’s largest technology companies, including Microsoft and Ericsson.

### ASIA RECRUITING

**Accountability, trust, and understanding | Sustainable service delivery with integrity**

---

Jobs co-founded Asia Recruiting in 2003 with business partner Adam Reed. Now in its tenth year of business, the company outperforms the competition as Japan’s top IT executive search and delivery firm. Clients praise Asia Recruiting for its impeccable service, attention to detail, and cultural acuity.

*“We develop partnerships, not just customers. Our relationships with our partners rely upon more than a simple one-time transaction.” ~ Cameron Jobs*

### CAMERON’S ENTREPRENEURIAL LEADERSHIP STYLE

---

Profoundly driven and perfectionistic by nature, Cameron is committed to his clients, candidates, and employees. He devotes his time to analyzing business models, automating processes, and systemizing operating structures. To ensure flawless placements and candidate and client satisfaction, Cameron also maintains and regularly enhances a database that helps assess candidate/client compatibility. The results of his dedication are palpable.

Prestigious awards and career recognitions:

- Microsoft Japan—Most Trusted Partner Award 2012
- Ericsson Japan—Best Partner Award 2011
- EMC Japan—Preferred Agency 2011

Building on these successes, Cameron is intent on achieving more. As employee A.B. observed, Asia Recruiting is a place of “dedicated professionals, always striving to achieve and improve as a team.”

### Family Life

Cameron, his wife, and son emigrated to Japan in 2002. They remain enamored with Japan’s harmony and the pride and honor of its people. In his spare time, Cameron indulges in fine art digital photography. True to his technical aptitude, he concentrates on the interplay between light and subject matter. Family and friends say that Cameron is “crazy positive” and approaches his personal life as well as his business with a can-do attitude.

### Bottom Line

Cameron’s calculating, sharp business management skills have led Asia Recruiting to prominence. His continued leadership promises to drive successful expansion into APAC markets in the future.
